A Cup O' Kapeng Barako

T HIS SENIOR CITIZEN NAILED IT!!!!!!!!!!

Alan Simpson, Senator from Wyoming, Co-Chair of Obama's deficit commission, calls senior citizens the Greediest Generation as he compared "Social Security" to a Milk Cow with 310 million teats. August, 2010.

Here's a response in a letter from an unknown fellow in Montana... I think he is a little ticked off! He also tells it like it is!

"Hey Alan, let's get a few things straight...

As a career politician, you have been on the public dole for FIFTY years.

I (have) been paying Social Security taxes for 48 YEARS (since I was 15 years old. I am now 63).

My Social Security payments, and those of millions of other Americans, were safely tucked away in an interest bearing account for decades until you political pukers decided to raid the account and give OUR money to a bunch of zero ambition losers in return for votes, thus bankrupting the system and turning Social Security into a Ponzi scheme that would have made Bernie Madoff proud.

Recently, just like Lucy & Charlie Brown, you and your ilk pulled the proverbial football away from millions of American seniors nearing retirement and moved the goalposts for full retirement from age 65 to age 67. NOW, you and your shill commission are proposing to move the goalposts YET AGAIN.

Millions of other Americans have been paying into Medicare from Day One, and now you morons propose to change the rules of the game. Why? Because you idiots mismanaged other parts of the economy to such an extent that you need to steal money from Medicare to pay the bills.

Millions of other Americans have been paying income taxes our entire lives, and now you propose to increase our taxes yet again. Why? Because you incompetent bastards spent our money so profligately that you just kept on spending even after you ran out of money. Now, you come to the American taxpayers and say you need more to pay off YOUR debt.

To add insult to injury, you label us "greedy" for calling "bullshit" on your incompetence. Well, Captain Bullshit, I have a few questions for YOU.

1. How much money have you earned from the American taxpayers during your pathetic 50-year political career?

Written by

2. At what age did you retire from your pathetic political career, and how much are you receiving in annual retirement benefits from the American taxpayers?
3. How much do you pay for YOUR government provided health insurance?
4. What cuts in YOUR retirement and healthcare benefits are you proposing in your disgusting deficit reduction proposal, or, as usual, have you exempted yourself and your political cronies?

It is you, Captain Bullshit, and your political co-conspirators who are "greedy". It is you and they who have bankrupted America and stolen the American dream from millions of loyal, patriotic taxpayers. And for what? Votes. That's right, sir. You and yours have bankrupted America for the sole purpose of advancing your pathetic political careers. You know it, we know it, and you know that we know it.

And you can take that to the bank, you miserable SOB!

I didn't write that. It was sent to me. And I can't remember who. The reason I've quoted the whole thing verbatim, is because Senator Alan Simpson is the spitting image (not in looks, but in the way of thinking) of Senator Rick Santorum, the wannabe goofy GOP nominee for the presidential elections this November. As we all know Santorum, aka, "Saint Orum" also wants to eliminate the Social Security benefits of the elderly.

As I've written before in one of my past *Kapeng Barako* columns, this guy is not only anti-elderly, he's also anti-gay, anti-military, anti-immigration,

anti-abortion, anti-Muslim ... he's full of "anti's." He's even anti-separation of the church and state, and said that that American ideal makes him wanna "throw up."

I think this guy has the mind of a White Supremacist.

He knows he's going to lose the nomination, that in one of his speeches, he said that if Mitt Romney would become the GOP candidate to run against President Obama, America would be better off voting for Obama. Now, can you imagine that? What a guy,
ha
? So bitter and so sour as a loser, too.

Like Simpson, Santorum is a "miserable SOB." That senior citizen from Montana has definitely "nailed" them both on their fundamentalist crosses.
