3 Tuesday, 20 October 2009 19:27 Rebecca B. Flores Can you help me look for any information regarding the late Governor of Labo, Camarines Norte, Basilio Borja Bautista? Especially information that leads to his being declared a local hero of World War II? All I know is that every year for the last few years, Basilio B. Bautista Day has been celebrated in Labo Camarines Norte every November 18. I want to know why he was declared as a hero. Please send your comments directly to my email address for any leads or information. Thank you, and God bless you. [Joomla SEO powered by JoomSEF](#)
