Hi All, Thank you Bobby M. Reyes. This is the first time I have read of an honest-to-goodness comprehensive self-help proposal for our people. We ought to study it well, and see what we can do or contribute to the efforts of OF AND OFW. You will meet a lot of opposition from those who are threatened by the Revotelution of Hope. Courage! With my prayers, Lionel This all I say at the moment. I will study it well and see what I can contribute to the plan.
