

Aquinorroyo - Relatives of Noynoy who are occupying high-level positions in the Arroyo administration are : Margarita Cojuangco -Interior and Local Government Undersecretary , who heads the Philippine Public Safety College. Secretary Tessie Aquino Oreta - who heads the Early Childhood Care and Development Council. Lupita Aquino-Kashiwahara - President Arroyo's image consultant. Eleazar Quinto, a son-in-law of Kashiwahara - Former environment secretary, is currently the director general of the Presidential Coalition Affairs Office under the Office of the President. Paul Aquino - was the CEO of Energy Development Corp. before it was privatized in 2007. It used to be a subsidiary of the state firm Philippine National Oil Co. is now the chief political officer in Noynoy's campaign. Jose "Peping" Cojuangco Jr - PHILIPPINE Olympic Committee (POC) President We wonder where Aquino got that P500 million he has splurged on TV and radio ads in the last two months of the campaign. DEMONnoynoy has commercials left & right, millions of baller bands, stickers and t-shirts for his commercial. He is spending as much if not more than his rival Manny Villar. Where is this haciendero getting his money and how will he repay his backers? A position in the government? Government projects? Drop charges against Arroyo? Pera ng bayan? And the supporters of DEMONnoynoy call themselves good yet have blood in their hands and they talk out of spiite! [Joomla SEO](#)
