I am the grandson of Gabriel Daza, who was the BSP chief who survived the tragedy when he took another plane ahead of the one that crashed. I'm writing a script about my lolo which mentions this tragedy. If anyone has any other information or pictures about this, kindly email me at pauldaza53@yahoo.com or text me at 0917-8101259. Thank you for this very informative article. [Joomla SEO powered by JoomSEF](#)
