Dear Miss Larena, I just wanna clarify that for sure this isnt a hoax, your post caught my attention so I feel free to give you an answer personally. You can check our website on [www.manilaaeroclub.com](http://www.manilaaeroclub.com) that will give you more information about our Academy, or I even invite you kindly to visit our office so You can see yourself personally what we do., I can even invite you to our Authority to show you legality of what I am and what I do. The Boutique Hotel base in MINDORO which has a website where you can book online is also provided with telephone numbers of our MAKATI OFFICE to make it convenient for person who want to book out of Manila. The Google maps location shows unverified because it takes times for google to process the given information as to be visible in google maps., But however on the website you can already see our google map location. Moreover if you are in Mindoro or Manila I kindly invite you to feel free to drop by and I can offer you a drink ! BEST REGARDS, IRENE MORA I hope that this bad writing of all people out of jealousy will be over for once and FOR ALL [Joomla SEO powered by JoomSEF](#)
