Pareng Romy, Congratulations! I am happy for you. You're a fine and a true, talented journalist. Pogi pa. And surely, NOT the "PNS" type. Too sad and too bad a lot of PNS-type journalists and columnists kuno abound in our midst here in America and in Canada. Sa Pilipinas, hindi uubra ang mga 'yan. They'll be laughed at and exposed as fakes. Ang mga journalists sa atin, magagaling at talagang mga graduate ng journalism. Dito, like JGL said, "pinabili lang ng suka, pagbalik journalist na." Yun pala ang sinulat at mga sinusulat kuno, mga kopya lang.... As I've said before, pare, and I want to say it again: More power to you and to all your worthy endeavors there in Toronto. Take care now. Jesse Jose Seattle, WA
