Dear Bobby, Thank you so much. I am sorry I have been remiss with responses. I battled bronchitis, flu and sciatica in short order the past few weeks. I felt yucky. Let's hope your readers enjoy the parody as my local friends have. Your website's poet laureate? Sounds dandy to me! Hope all is well, and you are soldiering on with the Philippine political scene. Salamat again. Maya Teague [Joomla SEO powered by JoomSEF](#)
