Dear Manong Ernie and Friends and Foes in the NaFFAA: For whatever worth the documents may serve the NaFFAA Board, I will provide you -- on your request -- with certified true copies of my complaints (as notarized) with the Criminal Prosecution Division of the IRS, the Attorney General of California and the United States Department of Justice -- after they have been filed. You can also read copies in several Filipino-American publications, aside from our [www.mabuhayradio.com](http://www.mabuhayradio.com). I hope that you will not pre-judge the case that I am building up for the Feds and the State of California. I have been working on these scandals for almost 10 years now -- from the Ballygate, the Menorgate and the NaFFAAgate. It is only now that I have obtained copies of the "Smoking Guns" that the authorities required me to obtain, so that they could be provided with the necessary pieces of evidence. You have to let justice run its natural course. If you want me to testify and be subjected to a cross-examination, I will gladly do so. You only have to tell me the date, the time and the venue. Thank you finally for deciding to investigate the scandals that I have reported to the NaFFAA officers and members since October 2000 and which the Ruling Clique refused to even to acknowledge.
