Dear Mr. Reyes, Your sentiments in your column truly resonate with me. I am not a happy camper with the Obama Administration. I am just dancing kumbaya with them to advance my advocacy of several Filipino causes, especially since as I am currently helping campaign for the Democratic candidate in a special election in the district where I live. (BTW the Democratic candidate has my admiration & respect). But as far as Pareng Barack goes . . . Sincerely,
Gloria (Not that Gloria . . .) Aray-ko [Joomla SEO powered by JoomSEF](#)
