Dear Senator Pimentel: One of my outlets, GMANews TV, posted my story on its website. Please click this link: Pimentel defends 'right to reply' bill as a balanced measure to view it. I also sent it to my other outlets. Please let me know if there is inaccuracy in my story. This should add information and understanding on the ongoing discussion on your "Right to Reply" bill. Thanks to your information and best wishes. Joseph G. Lariosa [Joomla SEO](#)
