Hi Bobby, Why not also pray for the late wealthy Great Dictator's son who got media exposure recently for joining a presidential candidate's bandwagon? Prayers for too a pardoned convict trying to become president again. And let's not forget the comedians in Congress and the entertainment media characters and the TV hogging generals and the bureaucrats all relentlessly trying to eradicate our native languages with their eloquent Taglish... And since Thanksgiving is actually an American holiday let's also pray for the American characters trying to sabotage health care reforms in the American Congress some of whom will never admit the reality of a black president... Prayers, too, for nouveau-riche Filipino Americans trying be embarrassments to the homeland with their sophisticated art of payabangan and paligsahan... Ad nauseam... omg... I got on a roll :) Fred Natividad Livonia, Michigan [Joomla SEO](#)
