I'm here in Boracay and see every day the glaring abuses of this Arroyo Couple, their dummy hired the military to tear gas and burn houses of the poor people who are native born in Boracay simply because their fathers or lolos owned the lands their shanties built along the beach front properties. Even the mountains were carved to build the largest hotel Shang Re La, this must stop. Paul D Boracay Is. [Joomla SEO powered by JoomSEF](#)
