Jeejee De Lima Subject: FR. REUTER Date: Wednesday, May 27, 2009, 10:26 AM Hello!

On May 21st, Fr. James Reuter turned 93 and he celebrated with 40 to 50 people at Our Lady of Peace Hospital. I have been in close communications with Cherry Aquino, his personal secretary regarding the status of Tatang. He has been at the Our Lady of Peace Hospital and will remain there. This hospital which he founded will not be charging the Jesuits for his stay. That is why in large part, Fr. Magadia allowed Fr. Reuter to stay there instead of sending him to live at Loyola. Tatang is happy where he is. He is being cared for round-the-clock by three nurses. But the nurses need to be paid and his health maintenance can be costly. Father Reuter's funds are depleting . . . Editor's Note: If readers want to help Father Reuter in meeting his hospitalization expenses, they may e-mail this editor at mediabcla@aol.com, so that they could be provided with instructions on how to remit their help to him.
