LOLo Bobby There are still plenty of wild pigs in Moroland since the Muslims don't eat pork at all, Kaso Madame Lame Duck had been sending more Porks in a barrel there to buy votes...that's adding more insult. to the injured broken penises. JJ of course you can write about Baboy Hussein who also used his pork barrel with salted pork to the tune of \$1M, which he gave to his wife's hospital when he was senator. Baboy Hussein is of course a Muslim, too. Yeah Bobby, right on, you are not the Mark Twin incarnate for nothing LOLo Ed
