Looks like we have another main event in Chicago.....Lorna Tolentino vs Alona Alegre LOL. Maybe this can be another workshop/debate Chica-Chica in Chi, how about it Emraida? In 2005 we had one, Bobby Reyes vs Perry Diaz, but when Bobby declined, we asked Danny Martinez instead. The debate was about partitioning the Philippines - pro and con. Danny is the author of the book A Country of our Own. It was a draw. Ed [Joomla SEO powered by JoomSEF](#)
