Mr. Reyes: You wrote: " Here is an e-mail from a reader, who is obviously a defender of the FAL and/or Mr. Lorenzo: Jet Pizarro writes: "Why is 'Flip' a derogatory term?" It's amazing how you can make such a careless assumption that I am some how associated with Mr. Lorenzo or FAL because of a simple question. I don't know nor am I associated with neither. Your website and topics invite many opinions and exchange of dialogues from the Filipino community which is one reason that makes the US of A a great country. So don't abuse this right by making inaccurate statements and false accusations. Keep it objective and Keep your facts straight. Mr. Reyes. Jet Pizarro [Joomla SEO powered by JoomSEF](#)
