Pareng Romy, Excellent story.... Go for it, pare. NaFFAA needs to be cleaned of its thieves and scalawags. You and LOLO Bobby Reyes did an awesome job exposing the practice of "kleptocracy" among its top leadership. I agree: the money unaccounted YET must first be accounted for before a clean slate can begin. Otherwise, its credibility can never be salvaged at all. And yes, it also needs new leadership ... and perhaps, even a new name. Because, it now appears to many Fil-Ams that the acronym, NaFFAA, connotates "NaKAWAN-AH."
