<http://www.mabuhayradio.com/health-and-medicine/ap-report-on-horrific-us-medical-experiments-fails-to-include-u-s-army-s-botched-medical-experiments-in-manila-in-1900-and-1906> You inadvertently forgot to include the U. S. medical experiments in Manila in 1900 and 1906, in which Filipino prisoners died because of the errors of the U.S. Army medical team. Thank you for the attention (and hopefully a corrected version of your article), Bobby M. Reyes Editor
