Editor@MabuhayRadio.com (just now) The MabuhayRadio.com and its sister organization, the Media Breakfast Club of Los Angeles, California, are joining the "Small Business Saturday" on Nov. 27, 2010, as sponsored by the American Express's OPEN. We have placed also a complimentary banner ad for the "Small Business Saturday" in all the pages of our website, www.mabuhayradio.com. We urge all our readers to patronize Small Businesses, especially small restaurants and family-operated food establishments, not only this Saturday but also all the days of the year. Small-business firms actually are the biggest employers of any town, city, country, state or country.
