Senator Barack Obama is the only candidate who has an "issues flier" devoted to Asian-American Pacific- Islanders matters. Its Tagalog version can be accessed here:

As this is just a one-page handout, I'm happy to try to provide you with more details on what you think your readers might be interested in. As a Filipino-American Obama supporter, I definitely want to make the campaign as accessible as possible to your readers!

Here's a release you might be interested in from Mr. Obama's Senate office on today's passage of the Veterans' Benefits Act.

Senator Obama has been a longstanding supporter of Filipino WWII veterans.

I also urge you to check out a website that I help to maintain www.AsianAmericansforObama.com, which has a great deal of content about Senator Obama's connections to the Asian-American communities and the issues that we care about. # # #
