

New Regional Climate-Change Vulnerability Map for Launching in Manila on March 6th - MabuhayRadio

Written by EARTH Institute Asia Press Office

Saturday, 28 February 2009 12:04 - Last Updated Saturday, 28 February 2009 12:05

The EARTH Institute Asia, Inc. and the International Development Research Centre of Canada, in collaboration with various organizations, will hold the first launch in Asia of the New Regional Climate Change Vulnerability Map for Southeast Asia. This will be held on March 6, 2009 (Friday), at 8.00 a.m. to 11.00 a.m. in the East-West Room, Manila Golf & Country Club, Makati City.

The event organizers have some complimentary seats available for interested parties outside the collaborating organizations. If you or anyone else in your organization is interested to attend this event, please pre-register now by accomplishing the table below and returning it to earthinstitute@gmail.com
