The sad plight of caregivers is highlighted in their own individual stories below:

1. Caregivers fall easy victim to unscrupulous recruiters who, according to Catherine, continue to ply their trade and engage in a lot of immigration anomalies. In this part of this series of news videos, she narrates her "terrible experience" in Canada.

2. Tetiana relates her experience at the hands of her employer who she claims took a firm grip on her, even controlling what she buys. She's given a food allowance of \$60 a week but she had to share half of the amount with her ward. She tells her story in this part 5 of the news video coverage.
