

Cut down to size its unread Pride of the Malay Race.

Unknown is this freethinker's anti-Catholic anti-arms stance,

If it knew clamors would have put the arms-wielder on Top,

Of the new colonizers' preference for the radical reformist.

These knew him for Enlightenist Church-State separatist,

While Nazarenos viewed him as rebel Catholic deep down.

Church-fought freethought ***Noli*** asked in its epigraph:

"How can such wastrels & rats to greatness ever rise?".

None yet know that work as such, none care to reread.

Knowledge-Morals tests rank low this Nazareno Nation,

Custom-made butt for First Worlders in scorn to kick. # # #
