@ Vicente Calibo De Jesus (as first posted on the Facebook): Salamatonon, as we say in Sorsogon, for your kind words. WE are facing a big clean-up job. We need to clean up the environment, the inland & blue waters, the city and prov'l gov'ts & other LGUs, totally reinvent the meaning of public service, conduct teach-ins on civics, etc., etc., etc. But @ age 65, what have I got to lose, except my wrinkles, my hair, my teeth & even my life? Somebody somewhere must put up w/ the ecological abuses of The Imperial Manila & fight for Mother Earth. We got the ABS-CBN in a tight corner now & we can embarrass them in the Overseas-Filipino communities. Lolo Bobby M. Reyes [Joomla SEO powered by JoomSEF](#)
